IDALP

INTEGRATED DIAGNOSTIC & ADAPTIVE LEARNING PROGRAM

For Students, Teachers, Principals, Parents & Schools

An Educational E Governance Online & Offline Project for the 1st time comprising of Students Evaluation Test Series integrating Board & Competitive Exams, Teachers Evaluation Test Series, Video Lectures (subject wise, chapter wise) which acts as a personal tutor or support tool for teachers & students to enhance their skills, question bank of more than 1 lac (of last 5 years competitive exams + last 5 years board papers + various schools question papers), time management features and many more value addition features are incorporated. This project has been specially developed for CBSE & All Board Students from 9th STD to 12th Std.

IDALP is a 360° E Governance Educational Program to Monitor, Guide & Support the whole education system. It ensures all the stake holders like Parents, Students, Schools, Teachers & Principals come under one roof.

Integrated Diagnostic Adaptive Learning Program identifies the grey area /limitations of both teachers & students and help them to overcome their grey area with the help of support tools which in turn will reflect on better results.

To add value in student's education & enhancing the school results we can join together. Details are mentioned below:

Respected

This is Sunil P. G writing on the behalf of Edutech Educational Services Pvt Ltd.

After 18 years of Academic and Technological research, we have developed IDALP [Integrated Diagnostic Adaptive Learning Program] 1ST Time in the World for All Boards/CBSE Students from 9th STD to 12th Std.

Through our research in last 18 years we have developed 7 major tools which aid students, teachers, parents and school administration.

- 1. ADAPTIVE LEARNING- A system has been developed to address the individual need of each student because each student is unique in their IQ, leaning speed etc.
- 2. DIAGNOSTIC TEST Is Developed to identify the GREY AREA (Concepts that are not clear) Video Lectures and Personalized assignment is developed as remedial tool.
- 3. TEACHER ANALYSIS REPORT- Helps the teacher to identify the concepts in which most of the students are facing problem.
- 4. CENTRAL KNOWLEDGE BANK Contains over 1 Lac questions with solutions and video lectures developed by experts.
- 5. PARENTAL SUPPORT: Tools such as diagnostic reports, chapter wise analysis report are available to parents to monitor the performance of students.
- 6. A CENTRALISED MONITORING SYSTEM-It is developed to monitor the course progress. Accordingly, third party testing can be arranged based on the course progress
- 7. A CENTRALISED FEEDBACK SYSTEM —It has been developed to determine the quality of teaching imparted in each session by the teacher.

Uniqueness of IDALP

- Adaptive Learning for STD 9 to 12 science stream.
- Diagnostic test helps to identify the strength and weakness of student.
- Helps to improve the knowledge base of the teacher.
- Provides proper study and monitoring tools to students and parents at their home.
- Centralized course management and evaluation for multiple schools.
- Personalized assignment as per the weak areas of each student.
- Online Question paper Generator.

If implemented successfully, Your School will be the leader in Educational Development. We are sure that with IDALP, the 360° education support system will help all Students, teachers, parents and administration in coordinated development of the education system.

I request you to give me an appointment at your convenience for a presentation.
